ATEEZ

Can you hold on to this crown?
Do you feel the fear of the crown?
If you are not sure, get out
If you come in, you can't go out
Watch out, Ki o tsuke na
This is our moment, oh

(Ha, ha, ha)
We run this world, baby!
And the industry, you know
Bringing you the moment of ATEEZ and BE:FIRST collaboration
We make the impossible look easy, man
We do things you can't imagine
Let's go

(Ha, ha, ha)
We run this world, baby!
And the industry, you know
Bringing you the moment of ATEEZ and BE:FIRST collaboration
We make the impossible look easy, man
We do things you can't imagine
Let's go

Give me now
No, everything's already mine
Line up, don't leave anything behind
Woo, you know
I'm different so don't play with me now
Woo, a natural talent that cannot be underestimated

Rule that does not exist
Enemy's falling down (hoo)
Enemy's falling down
Check my royal blood

(Check my royal blood)
Enemy's falling down (hoo)
Enemy's falling down
Check my royal blood

This cheer called to me
Crown on its rising tide
We're gonna make it louder
We're gonna make it louder
You're gonna watch my throne

Wait, wait
I'm gonna make it louder, we're gonna make it louder
I'm high class
Wait, wait even the reaper's a playmate
This verse is my baptism
Pegasus astride, still going up, still going up, still going up to the cloud
s

Royal, royalty
No easy way in frame
There's no pain, 'cause no game
League, yeah
"Fighting" I'm not afraid
I can teach you if you want, loser
Loser, what's the point of being lazy?
Get a life, get away from here

I don't bite, but I don't cut corners
Don't get all big and fancy for nothing
Hey, watch your head, watch your back
It's too late to turn around, ha
The value I've found in myself I won't lose it I won't make a mistake
I'll never lose sight of it I'll never make a mistake
No mercy
Magic, it's going from town to town

In the darkness, I blinked
This gaze is fire
Shout it out
(Three, two, one)

Enemy's falling down (hoo)
Enemy's falling down (no way)
Check my royal blood
(Check my royal blood)
Enemy's falling down (hoo)
Enemy's falling down (no way)
Check my royal blood

The cheers that pour down
We're gonna make it louder
We're gonna make it louder
Come on, just say it
You're gonna watch my throne

I always want more
No one can take away my dreams
It's easy, isn't it? An eye for an eye
The moment you raise the white flag, you know, woah

The best part of the show is the cheers
"And you'll be a legend" story

Yeah, this is my destiny
The crown is right here above my head
With the loudest cheers behind me
It's called history story
Yeah, this is my destiny

This cheer called me
We're gonna make it louder
We're gonna make it louder
We're gonna make it louder
You're gonna watch my throne
