

## Touch My Heart

Athena

Life is a whisper we don't have the time to find  
The meaning of wisdom,  
the sense of try.  
We don't remember the evil we have done  
We'll fight forever against our hearts.

I can feel the dark side in my mind  
I must accept my destiny.

So touch my heart and give me my death  
'cos I don't want to live forever  
and I've no past to look for a hide in.  
Take my soul away!

I am a nightmare, a shadow in the night  
I am the thunder, I am the light.  
I feel the pain dismembering my mind.  
I feel my glory, I feel my pride.

I can feel the dark side in my mind  
I must accept my destiny.

So touch my heart and give me my death  
'cos I don't want to live forever  
and I've no past to look for a hide in.  
Take my soul away!
