Summertime

Athenaeum

Summertime come wanna make you mine
Got the flowers and the trees and I'm feeling fine
Alright, talking 'bout summertime

Birds in the air, gotta stop and stare
Gonna grow my hair and take you everywhere
Alright, talking 'bout summertime

Singin'...

Summertime come only once a year
Make it loud and clear that you're my dear
Alright, talking 'bout summertime

(adsbygoogle = window.adsbygoogle || []).push({});
Sun gonna shine, baby all the time
Gonna sit back, releax, and drink some wine
Alright, talking 'bout summertime

Singin'....

Talking 'bout summertime
Talking 'bout summertime
Talking 'bout summertime
Yeah

Singin'...

Talking 'bout summertime
Talking 'bout summertime
Talking 'bout summertime
