

## Love Come Rescue

**Athlete**

Mother do you still love this child?  
Baby on the run  
Father would you forgive me now?  
When you see what I have become

Love come rescue  
Love come rescue

There's a swallow on the phone wire  
Singing songs unto my pain  
Songs I will remember  
To life me up again

Love come rescue  
Love come rescue  
Love come rescue  
Love come rescue
