

# Another Man's Woman

## Atlanta Rhythm Section

You made a sane man  
Go mad about you  
You said you loved  
Nobody but me

But now I've found out  
You have another  
And I got to meet you  
At the dark end of the street

It's so hard  
Loving you  
It's no hard  
What can I do?  
It's so hard, clinging to  
Another man's woman  
Yeah hey hey

I got to meet you  
In smoky places  
Way over town  
Where nobody goes  
So no one sees us  
We hide our faces  
I ain't complaining  
But I want you to know

It's so hard  
Loving you  
It's no hard  
What can I do?  
It's so hard, clinging to  
Another man's woman

Whoo...  
Yaah hey hey  
Whoo...  
Ah ha...  
Ya ya ya  
Whoo...

It's so hard  
Loving you  
It's no hard  
What can I do?  
It's so hard, clinging to  
Another man's woman

Yeah hey hey  
Yeah hey hey...  
Whoo...  
Ya ha ha  
Whoo...
