

Born Ready

Atlanta Rhythm Section

Everybody needs love, I think we all agree
We all want to feel good, we've all got the primal need, tell t
he truth

We was born ready for a thrill
We've all got the want, we've all got the will
We were born ready, born ready, born ready for a thrill

Last night from the shadow, I saw your man's blue silhouette, a
nd I know
It was no accident, Melissa, that open curtain by your bed, tel
l the truth

You was born ready for a thrill, yes, you was
Don't say you won't, don't say you won't, 'cause I know that yo
u will
We were born ready, born ready, born ready for adventure

Born ready's in the gutter

Born ready's in the church, yes it is, now
Born ready's in the bottle, it's a natural-born love
You were born and you'll die, ready for a thrill
We've all got the want, we've all got the will
We was born ready, born ready, born ready, hoo

You were born and you'll die ready for a thrill
You were born and you'll die ready for a thrill
You were born and you'll die ready for a thrill
You were born and you'll die ready for a thrill
Yeah, yeah, yeah

Woo-hoo
Yeah, yeah, yeah
Woo-hoo, woo-hoo
Yeah, yeah, yeah, yeah
Yeah, yeah, yeah, yeah
I was born ready, ready for you
