Days Of Our Lives

Atlanta Rhythm Section

```
I don't really know
Who am I to say
Don't ask me about tomorrow
I don't even know about today

Let this be the time
Let me be the one
Don't wait for tomorrow
'Cause tomorrow may not come

The clock keeps on ticking
And time passes by
So go the days of our lives

I believe in life
I believe in love
'Cause that's all that matters
After all is said and done

Loneliness is wrong
Happiness is right
Today's the first day
Of the rest of our lives

The clock keeps on ticking
And time passes by
So go the days of our lives
They keep slippin' away
So go the days of our lives
```
