

It's Only Music

Atlanta Rhythm Section

Ooh, yeah

Well, the beat of the drum starts a-poundin'
And the boys in the band start to play
The reaction I see is astoundin'
Pandemonium all over the place
It's only music, nothin' to be shook about
It's only music, nothin' to be shook about

There's a cute little girl on the front row
And she's shakin' like a maniac
Get a grip on yourself, girl, and hold on
Before you give us both a heart attack
It's only music, what is all the fuss about?
It's only music, only music, it's only music

It's only music, baby
Nothin' but music, mmm, it's only music, yeah

Ooh, play it now

When the beat of the drum starts a-poundin'
And the boys in the band start to play
Folks forget all their rearin' and raisin'
Nothin' askin' you to lose that weight
Only music, make you want to jump and shout, woo
Talkin' 'bout music, music's what it's all about

(Music) Rock and roll music
(Music) Dance to the music
(Music) Woo hoo hoo
(Music) Feels so good
