

Unique

Atlanta Rhythm Section

Sometimes, I get crazy
Sometimes, I get wild
Howl at the moon like a hound with a coon up a tree
But I ain't that unique

Don't trust politicians
Don't think they trust me
Very seldom believe talking heads on TV when they speak
But I ain't that unique

Life can make you lose it
Have you talking to yourself
Must remember there's no such thing
As no hope left

Bad news is I'm human
Good news is the same
I'm barely afloat with a hole in my boat up a creek
But I ain't gonna sink
And I ain't that unique

Life can make you lose it
Have you talking to yourself
Must remember there's no such thing
As no hope left

Bad news is I'm human
The good news is the same
I'm barely afloat with a hole in my boat up a creek
But I ain't gonna sink
And I ain't that unique
I ain't gonna sink
And I ain't that unique
I ain't that unique
