

You Ain't Seen Nothing Yet

Atlanta Rhythm Section

Fire up the silver eagle
Follow that big demand
Take us to where we are goin'
Hurry it up if you can
How long
Have we been gone
2nd
Ridin' up front with the driver
Keepin' each other awake
Laughin' and talkin' and thinkin'
Starin' off into space
How many Holiday Inns
And overnight friends
But we keep on movin'
Searchin' for a ravel in the noose
Carry me
Carry me
Silver eagle
Let me hear
Those mighty diesels drone
Fire it up
Let it whine
Follow the long white line
Silver eagle
(Carry) (Roll) on
(Roll on and on and on)
(Repeat)
(Out)
