

My Sugar

Atlantic Starr

Ooh, I see your face when I sleep at night
I dream about you in broad daylight
You're on my mind, honey, constantly
Ooh, I'm still reachin' out for you so tenderly
There could never be any more precious moments
To cherish in my life, baby
Then when we sealed our dreams with a kiss
And the fantasy of love's sweet magic came alive

My sugar, sugar baby
(Ooh, sweet baby)
You know I love you so
I can't let go
My sugar, sugar baby
Just wanna hold you
'Til the end of time

Girl, you left a fire burnin' in my heart
Ooh, I melt like butter even though we're apart
The search was over when you caught my eye
Ooh, you're so absolutely stunning yet so super kind
Ooh, in a trance, I keep giving into this desire
That's taken full control, baby
I can't believe I'm so much in love
That all I do is feel the need to bare my soul

My sugar, sugar baby
You know I love you so
I can't let go
My sugar, sugar baby
Just wanna hold you
'Til the end of time

Oh, there could never be any more precious moments
To cherish in my life, baby
Then when we sealed our dreams with a kiss
And the fantasy of love's sweet magic came alive

My sugar, sugar baby
(Oh-whoa...)
You're my lovin' sugar, girl
I love you more
Than anything in the whole wide world
My sugar, sugar baby
And I love you
Ooh, I love you
My baby sugar...
