

## Second To None

Atlantic Starr

Mmm-mmm, yeah, yeah  
Oh-whoa, oh, you're second to none  
Second to none, second to none

Ooh, I used to feel those natural blues  
Just like the kind sung in a smoke-filled room  
I walked around, my mind in a daze  
Hoping to break out soon  
Then you came into my life  
And I knew you were the one  
And now I see your love is second to none

Ooh, your love, your love, your love, yeah  
Is second to none  
You're my number one, ooh, yeah  
Said, your love, your love, your love  
Is second to none  
You're my number one

Those lovely days and nights that I used to spend  
I'm glad they came to a long-awaited end  
I now have something to keep me strong  
And with this strength, I can go on

'Cause your love, your love, your love  
Is second to none  
You're my number one, ooh, yeah  
Said, your love, your love, your love, oh...  
Is second to none  
You're my number one

Oh, baby, now  
Your love, your love  
I, I, I got to have it  
Is second to none  
Your love is number one  
Your love, your love  
(Your love, your love, your love)  
(Your love, your love)  
Is second to none  
Your number one, yeah  
Number one in my life  
When you see what you mean to me

There are times in my life  
When I felt so alone  
With nothing to hold onto  
Then you came along  
And you filled me up with love

And now it feels like I'm ten feet tall  
Lovin', livin', laughin', enjoying it all  
What a good, good feelin' all over me  
That sweet love glow for all to see

Your love, your love is second to none  
Ooh, yeah, your love is second to none

You're my number one  
Your love, your love is second to none  
Hey, your love is second to none

Your love, your love is second to none  
Ooh, and I love you, I love you, baby  
Your love, your love is second to none  
You're my number one, say it, yeah

Second to none, second to none, second to none  
Baby, your love is  
Second to none, second to none, second to none  
Every day  
Second to none, second to none, second to none  
In every way  
Second to none, second to none, second to none...
