

## Wishing On A Star

Atlantic Starr

I'm wishing on a star to follow where you are  
I'm wishing on a dream to follow what it means  
I'm wishing on a star to follow where you are  
I'm wishing on a dream to follow what it means

And I wish on all the rainbows that I see  
I wish on all the people who really dream  
And I'm wishing on tomorrow, pray it never comes  
And I'm wishing on all the loving we've ever done

I never thought I'd see a time when you would be  
So far away from home, so far away from me  
Just think of all the moments that we've spent  
I just can't let you go, for me you were meant  
And I didn't mean to hurt you but I know  
That in the game of love you reap what you sow

I feel it's time we should make up baby  
I feel it's time for us to get back together  
And make the best of things oh baby  
When we're together, whether or never  
I feel it's time we should make up baby  
I feel it's time for us to get back together  
And make the best of things oh baby  
When we're together, whether or never

I'm wishing on a star to follow where you are  
I'm wishing on a dream to follow what it means

And I wish on all the rainbows that I see  
And I wish on all the people we've ever been  
And I'm hoping on all the days to come and days to go  
And I'm hoping on days of loving you so

I'm wishing on a star to follow where you are  
I'm wishing on a star, whoa  
And I wish on all the rainbows that I see  
I'm wishing on a star to follow where you are  
I'm wishing on a star
