

I don't know, where I am  
I'm searching for something to replace your hand, and  
I don't know, (anything) where you went  
I just want you back in my arms again

Always crying in my bedroom, hoping I can fix this  
Whenever you're with me, everything is endless  
But whenever you leave, don't know where my heart is  
Sorry for my mistakes, I'm trying my hardest  
Baby it's the first time, I hope it's the last time  
I've wanted someone so, badly that I'd crashed my  
Car into the guardrail if it'd make you visit  
I don't recognise my, face when I look in this  
Mirror anymore  
I'll knock it to the floor  
Shattered broken glass, it don't matter anymore  
I'm tired and afraid, I'm broken and misplaced  
Maybe you'll come back, to fix me up one day

I don't know, where I am  
I'm searching for something to replace your hand, and  
I don't know, (anything) where you went  
I just want you back in my arms again

Baby know I want you so bad like a million  
Everyday without you goddamn ya it's killing me  
Looking at me like damn yeah he's killin' 'em  
Yeah I'm killing em, they feeling me and I'm feeling them  
(Anyone talking at me That I use who don't give a fuck 'bout like no one)?  
Anyone talking to me about someone I don't give Fuck I won't show up  
Yeah they come up and say that they love me but I don't even fucking know t  
hem  
Yeah they come up and say that they love me but I don't even fucking know t  
hem

Seven-teen times I tried, to hit you up  
Seven-teen times I cry, you didn't pick it up  
Screaming I'm fine I'm fine, will you let me up  
(Baby/maybe)? I'm not alright, yeah I need your love  
Dressing all back since I lost you  
Thought I saw you (in back)? it was not you  
(And I'm in off that bad,)? I am not pure  
But I know one thing's for sure

I don't know, where I am  
I'm searching for something to replace your hand, and  
I don't know, (anything) where you went  
I just want you back in my arms again

I don't know (I don't know), where I am (where I am)  
I'm searching for something to replace your hand, and  
I don't know (anything), where you went  
I just want you back in my arms again
