

# Breaking All The Rules

Atlas

Breaking all the rules  
You could be my getaway  
Buy a one way ticket out to you  
You got me on the move  
You could name the time or place  
I'll be right there next to you  
Breaking all the rules

I can't wait another minute  
Pull up in your car, I'm with it  
So good at making bad decisions  
So bad for me but good for living

Forget about the miles that pass us by  
Pull off to the side and kill the lights  
The city comes alive when it turns night  
Anywhere with you girl is a vibe yeah

We're breaking all the rules  
You could be my getaway  
Catch a one way ticket out to you  
You got me on the move  
You could name the time or place  
I'll be right there next to you  
Breaking all the rules  
You could be my getaway  
Catch a one way ticket out to you  
You got me on the move  
You could name the time or place  
I'll be right there next to you  
Breaking all the rules

Girl, I love the way you always smiling when you're with me  
When I can't find the words to say you always find so many  
I heard there's plenty fish in the sea but there ain't any like you  
You've got me wrapped around your finger  
What's the move right now?  
Take you out to dinner  
Set the mood slow down  
Uber to the Hilton  
I want you right now  
That dress you wearing sitting  
On the floor, lights out

We're breaking all the rules  
You could be my getaway  
Catch a one way ticket out to you  
You got me on the move  
You could name the time or place  
I'll be right there next to you  
Breaking all the rules  
You can be my getaway  
Catch a one way ticket out to you  
You got me on the move  
You can name the time or place  
I'll be right there next to you
