

# Girl I'm Done With You're Shit

Atlas

She got bad intentions  
Say anything to get her friends to listen yeah  
Bad intentions  
You're playing God  
You need divine intervention

Now, why can't you own your mistakes  
Hope you wake up in the bed you made  
Bad intentions  
Ego trips, way you live stress my out  
Girl I'm done with your shit

I'm done with you  
We're overdue  
I'm finished with the whore  
Go and spread the news  
I'm happier than ever feeling bulletproof yeah  
Happier than ever darling  
How about you  
The way you're sliding on every single dick  
That you finding  
Your life's so excited and yeah  
I've got nothing to lose  
I cut you off  
You got a bad attitude

She got bad intentions  
Say anything to get her friends to listen yeah  
Bad intentions  
You're playing God  
You need divine intervention

Now, why can't you own your mistakes  
Hope you wake up in the bed you made  
Bad intentions  
Ego trips, way you live stress my out  
Girl I'm done with your shit

Yeah I'm done with your shit  
Don't want me back girl  
You're just mad I flip the script  
All of your drama yeah I got away from it  
You ain't worth shit

And every day I celebrate it yeah  
I know I dodged a bullet  
If you were on life support safe bet I pull it yeah  
I've got nothing to lose  
I cut you off  
You got a bad attitude

She got bad intentions  
Say anything to get her friends to listen yeah  
Bad intentions  
You're playing God  
You need divine intervention

Now, why can't you own your mistakes  
Hope you wake up in the bed you made  
Bad intentions  
Ego trips, way you live stress my out  
Girl I'm done with your shit

Bad intentions  
Bad intentions  
Ego trips, way you live stress my out girl I'm done with your shit
