

# Thief

Atlas

She wonders what's in it for me  
Maybe I should show her a little bit of mercy  
I've got her, but still I feel so alone  
She wants love something I can't give  
She wants more, no, I'm not ready for it  
Got other reasons to live

You know that I'm guarded that I'm running away  
You can come and go, I don't want you to stay  
Oh no, no, I don't want you to stay

Cause I'm a thief and I'm a liar  
Take these flames put out the fire  
I'm not sure what you thought of me  
Stick around and then you'll see  
There's nothing for you, nothing for us  
Got no time for love, no time for trust  
Always find a need to leave  
Baby, I'm a thief  
Baby, I'm a thief

She wonders what's in it for me  
Holding onto any little thing I give  
So she don't feel so alone  
I need space something she can't give  
She wants time but I'm done wasting it  
Got other reasons to live

You know that I'm guarded that I'm running away  
You can come and go, I don't want you to stay  
Oh no, no, I don't want you to stay

Cause I'm a thief and I'm a liar  
Take these flames put out the fire  
I'm not sure what you thought of me  
Stick around and then you'll see  
There's nothing for you, nothing for us  
Got no time for love, no time for trust  
Always find a need to leave  
Baby, I'm a thief  
Baby, I'm a thief  
Yeah, oh oh oh

I don't know why I do the things that I do  
I paint a picture in your head, you paint a picture for two  
The worst part is its nothing new  
I gave the sentence yet you're the one that tightens the noose  
You know I got this fear of being alone  
The same time I can't let anyone in my home  
I know your hurting, but I don't know how to heal  
Just another heart that I steal

Cause I'm a thief and I'm a liar  
Take these flames put out the fire  
I'm not sure what you thought of me  
Stick around and then you'll see  
There's nothing for you, nothing for us

Got no time for love, no time for trust  
Always find a need to leave  
Baby, I'm a thief  
Baby, I'm a thief...
