

You're A Fucking Bitch Hope You Know That Shit

Atlus

Girl where you been at? Don't try to lie
I smell his cologne on your shirt, it's hard to breathe in
You're quite the actress, you make me sick
Yeah, I just wanna get the truth, you plead the fifth

You turn out the lights, kick off your shoes, lay in our bed
And you whisper sweet nothings in my ear
But I can't trust a word you said

You're a fucking bitch, hope you know that shit
You can never trust a hoe, had to learn that quick
How many others are you sleeping with?
All I know is I don't deserve this

You're a fucking bitch, hope you know that shit
You can never trust a hoe, had to learn that quick
How many others are you sleeping with?
All I know is I don't deserve this

Go ahead, yeah, just play the victim
Go tell your friends if I was there, you wouldn't need them
And justify that night you had in his bed
"I'm sorry I was busy working tryna pay our debts"

You turn out the lights, kick off your shoes, lay in our bed
And you whisper sweet nothings in my ear
But I can't get 'em out of my head

You're a fucking bitch, hope you know that shit
You can never trust a hoe, had to learn that quick
How many others are you sleeping with?
All I know is I don't deserve this

You're a fucking bitch, hope you know that shit
You can never trust a hoe, had to learn that quick
How many others are you sleeping with?
All I know is I don't deserve this
