Atomic Kitten

I saw you standing alone across the crowded room You look so fine oh baby But I knew you wouldn't make the move So what am I supposed to do with you Looking but you just don't act You gotta make your move And it aint in the groove Come on now baby don't hold back So you gotta Throw away your inhibitions Come on and make the man's decision Tell me now what is your ambition Show me all the things that I've been missing

Do what you wanna Say what you gotta Be what you wanna be with me baby Sooner or later your gonna have to Do what you wanna do with me yeah

Out on the sidewalk You're acting like you just come out there Don't disappoint me baby I know that you're concerned that you care

So you gotta Throw away your inhibitions Come on and make the man's decision Tell me now what is your ambition Show me all the things that I've been missing

Do what you wanna Say what you gotta Be what you wanna be with me baby Sooner or later your gonna have to Do what you wanna do with me yeah

When you gonna show me that you understand (please baby) (3x) When you gonna treat me like your a man (Please baby) (2x) Come on show ya now

Do what you wanna Say what you gotta Be what you wanna be with me baby Sooner or later your gonna have to Do what you wanna do with me yeah (2x)
