

Ladies Night

Atomic Kitten

Ooh oh yeah yeah, Oh what a night
It's ladies night

This is your night tonight,
Everything is going to be alright
This is your night tonight,
C'mon girls

Girls, we've all got one
A night that's special everywhere
From New York to Hollywood
It's ladies night and girl
The feeling's good

Oh yes, it's ladies night
And the feeling's right
Oh yes, it's ladies night
Oh what a night (oh what a night)

Oh yes, it's ladies night
And the feeling's right
Oh yes, it's ladies night
Oh what a night (oh what a night)

This is your night tonight, everything's gonna be alright
This is your night tonight, everything's gonna be alright

Romantic lady, ooh oh yeah, single baby
Mm sophisticated mama (wooooooh)
Come on you disco baby, yeah, yeah
Stay with me tonight

If you hear any noise
It ain't the boys, it's ladies night, shhh, uh huh
Come on girls

Gonna step out ladies night
Steppin' out ladies night

Gonna step out ladies night
Steppin' out ladies night

Oh yes, it's ladies night

Oh what a night (oh what a night)

Oh yes, it's ladies night
And the feeling's right

Oh what a night (Oh what a night)

On disco lights your name will be seen
You can fulfill all your dreams
Party here, party there, everywhere
This is our night, ladies
You got to be there

This is your night tonight,
Everything is going to be alright

This is your night tonight,
Everything is going to be alright

Oh ladies night

This is your night tonight,
Everything is going to be alright
