

Last Goodbye

Atomic Kitten

C **Am**
1. Ain't no headlights on the road tonight
Dm
Everybody here is sleeping tight
F
Ain't nobody gonna find us here
Em C
We'll disappear
C **Am**
There's a dancer in the arms of love
Dm
And he's dancing on the sky above
F
And the truth is that we'll never know
Em D
Where love will flow
F
Aim high, shoot low
G C
We gotta aim high, shoot low baby

C **Am**
R: Ain't no headlights on the road tonight
Dm
Ain't nobody here to make it right
F
Cause we couldn't seem to find a way
G C
For love to stay
C **Am**
If you had another night to give
Dm
I would have another night to live
F G C
But you're never gonna see me cry the last goodbye (Last goodbye)

Am Dm F C

2. Is it cloudy where you are tonight
All there neon lights shining bright
Are you looking for a place to stay
To get away (don't get away)
And the days are horses down the hill
Running fast with no time to kill
And the truth is that we'll never know
Where love will flow
Aim high, shoot low
We gotta aim high, shoot low baby

R: Ain't no headlights on the road tonight
Ain't nobody here to make it right
Cause we couldn't seem to find a way
For love to stay
If you had another night to give
I would have another night to live
But you're never gonna see me cry the last goodbye
