

Bleeding Is a Luxury

Atreyu

I've talked the talk, I've walked the walk
It's taken ten fucking years
To make them see I don't need their approval
I've paid my piper,
I've stayed my course,
Lived chomping the bit
With only blood, sweat and tears to adhere too

Open your eyes and see, that it's so menacing
You need to realize that
Bleeding is a luxury
Until there's nothing left, value in every breath
You need to realize that
Bleeding is a luxury!

Take it for granted,
forsake the cost?
we're a big shit eating crowd

With only blood, sweat and tears to adhere too
Now bear your burden
To chase your fate
Grind your teeth 'till it fucking hurts
So they can see, I don't need their approval.

Open your eyes and see,
that it's so menacing
You need to realize that
BLEEDING IS A LUXURY
Until there's nothing left, value in every breath
You need to realize that
Bleeding is a luxury!

Every day
Take your beatings
lead the way or decay away as you fall down!
You fall down!

Open your eyes and see, that it's so menacing
You need to realize that
Bleeding is a luxury
Until there's nothing left, value in every breath
You need to realize that
Bleeding is a luxury!

It's a luxury
Bleeding is a luxury!
