

Broken Again

Atreyu

Fuck

I can't fight the thunder
The rain's coming and it's pulling me under
The ground beneath me crumbles away
Fallen but I will recover

Bend until I break
Live another day

Broken again
I'm broken again
I may be beaten but I'm not defeated
I'm broken, broken

Smile in the dark
Laugh through tears
Through all the peaks
The valleys
My heart will wander
But the pain, the fear
Has made me stronger

Broken again
I'm broken again
I may be beaten but I'm not defeated
I'm broken, broken

Broken again
I'm broken again
I may be beaten but I'm not defeated
I'm broken, broken

Broken again
I'm broken again
I may be beaten but I'm not defeated
I'm broken, broken
