

Congregation of the Damned

Atreyu

I'm going to give this monster life,
I may not have the pieces.
I'll keep on going through the night,
To see you all left screaming.

Face-to-face,
The congregation of the damned.
Face-to-face,
Screaming while we can.

I get carried away,
Lost in a moment,
Torn into pieces,
Of violent display.
I tear it away,
Lost in a moment,
Searching for answers,
I'm lost in the fray.

This life's a case,
Of do or die,
Sometimes I need no reason,
To lose myself,
In you tonight,
Right now's the darker season.

Face-to-face,
The congregation of the damned.
Face-to-face,
Screaming while we can.

I get carried away,
Lost in a moment,
Torn into pieces,
Of violent display.
I tear it away,
Lost in a moment,
Searching for answers,
I'm lost in the fray.

The congregation of the damned!
The congregation of the damned!

Face-to-face,
The congregation of the damned.
Face-to-face,
We're all,
Screaming while we can.

I get carried away,
Lost in a moment,
Torn into pieces,
Of violent display.
I tear it away,
Lost in a moment,
Searching for answers,
I'm lost in the fray.

I tear it away,
Lost in a moment,
Searching for answers,
I'm lost in the fray.

I get carried away,
Lost in a moment,
Torn into pieces,
Of violent display.
I tear it away,
Lost in a moment,
Searching for answers,
I'm lost in the fray.
