

Dead Weight

Atreyu

All the words you couldn't say
Choking out, yesterday
And I can't get out
I let you down
Down again
Gravity creeping in
It's all over now

In between these broken moments
I can be so cold

Dead weight
I've got this sinking feeling I'm dead weight
Trying to find a reason but I...
I'm dead dead dead weight

Do you hear
Unspoken truths
Change the space from me to you
Before it's too late
Will you stand by my side
Still believe, do or die
If I never change

Lost among the smoke and darkness
Life can be so cold

Dead weight
I've got this sinking feeling I'm dead weight
Trying to find a reason but I...
I'm dead dead dead weight

I'd say sorry for the last time
If I thought it was true
But it's empty, full of sorrow
Like a life without you
All these meaningless words on the tip of my tongue
Make you scream at the top of your lungs
I'd say sorry, for the last time
If I thought it was true

Dead weight
I've got this sinking feeling I'm dead weight
Trying to find a reason but I...
I'm dead dead dead weight

I think I'm dead weight
I've got this sinking feeling I'm dead weight
Trying to find a reason but I...
I'm dead dead dead weight
