

## Ex's and Oh's

Atreyu

You took me home  
I drank too much  
Cause of you my liver turned to dust  
Cold rust taste, cold creeping cold pain  
Do you understand what I mean?  
When you feel your soul drop to the floor  
Like a hole like an open bleeding sore  
Then you'll have bled like I've bled  
Then you'll have wept as I've wept

Suck me down, it's time to rock and roll  
Let's hit the bar, let's lose control  
One false move; you took me home  
One false move; you're all alone

But it looks so good and it feels so nice  
I've paid my price  
I'll cut you out just to hear you scream:  
"Get away from, get away from me".  
And I can feel my heart beat racing  
As I realize what I must do  
Get away from, get away from, get away from you.

Should've turned around like hell  
Last time I got a taste of you  
I should've turned and ran like hell  
And I say we're through  
Should've turned around like hell  
Last time I got a taste of you  
I should've turned and ran like hell  
And I say we're through  
And I say we're through

You fell upon me, like a plague  
Weakness, sweet weakness  
But I digress  
After all this...  
You're just like all the rest

Suck me down, it's time to rock and roll  
Let's hit the bar, let's lose control  
One false move; you took me home  
One false move; you're all alone
