

Falling Down

Atreyu

You're always looking back,
Runnin' from the past.
You're always sweating me about the next big heart attack.
You're lookin' over your shoulder starin' down the path.
(I'm fallin' down)
Fallin' down
Fallin' down

R: It's in your head all the voices mistaken,
Shake it off shake it off.
We're all dyin' in the end.
(2x)

I fear I'll find the evidence so horrible,
So horrible
To clear my thoughts I drill a hole into my skull
Clean up my brains and sweep them underneath the rug
I need them more than I needed any other drug
I'm fallin' down
Fallin' down
Fallin' down

R: (2x)

Hey, hey, hey
Come on

I'm fallin' down
Fallin' down
Fallin' down

R: (2x)
