

(i)

Atreyu

Peel back the layers of my skin
Who am I
Who am I
Who am I
Tell me who the fuck have I been
After all this time
It's a lie
It's a lie
It's a lie

Brace your self this is
Hard enough
Fall part as
I fade into blank space

Same shit
Same place
I dissolve
Just a flame
Withering in the wind gone

Peel back the layers of my skin
Take a look inside
Who am I
Who am I
Who am I
Tell me who the fuck have I been
After all this time
It's a lie
It's a lie
It's a lie

I believe
You're a thief
Stealing what I leave behind
With nothing to spare

Copying
Everything
Wasting reality
Do you even care?

Peel back the layers of my skin
Take a look inside
Who am I
Who am I
Who am I
Tell me who the fuck have I been
After all this time
It's a lie
It's a lie
It's a lie

Do I live in this shell or just sever ties?
It feels like the old me is dead inside
Inside

Peel back the layers of my skin
Who am I
Who am I
Who am I
Tell me who the fuck have I been
After all this time
It's a lie
It's a lie
It's a lie

Peel back the layers of my skin
Take a look inside
Who am I
Who am I
Who am I
Tell me who the fuck have I been
After all this time
It's a lie
It's a goddamn fucking lie
Lie
