

## Pandaemonium

Atrocity

Pandaemonium, Pandaemonium  
In the midst of Hell capital of worst evils  
There, Satan rules, the council of demons  
House of fallen angels made by the and of Mulciber  
A palace surrounded by fire, the throne of Lucifer  
Pandaemonium - stronghold of the underworld  
Pandaemonium - proud seat of Lucifer  
Mournful gloom for celestial light  
Better to reign in Hell than serve in Heaven  
Here at last, we shall be free  
Hail horrors, hail, infernal world! Pandaemonium  
The infernal empire close to Heaven's door  
realm of all evil  
Majestic golden roof  
In the regions of sorrow,  
at the place of doleful shades where peace and rust can never d  
well, a monument of hate shall rise  
Pandaemonium - stronghold of the underworld  
Pandaemonium - proud seat of Lucifer  
Winged heralds,  
by command of sovereign power, proclaim a solemn council, a tho  
usand demi-gods on golden seats  
Pandaemonium - stronghold of the underworld  
Pandaemonum - proud seat of Lucifer  
Hell-doomed mankind!
