

Shadowtaker

Atrocity

Seek for innocent victims,
blood for the revenant,
fear the specter's laughter,
hear the hideous shrieks

Appearing in the dead of night,
the cause of death to humankind

Shadowtaker,
shadowtaker

Rise from the hidden grave,
carcass with poisoned blood,
sucking life out of the living,
turn them into undead

Man hunting in the dead of the night,
disease and death to humankind

Shadowtaker,
shadowtaker

Creature from the netherworld,
plague for human race,
Wiedergänger, Menschenfresser,
ghost beyond the grave

Epidemic blood disease,
death within eight days,
fall away to skin and bones,
dead body like leeches

Magia posthuma

Shadowtaker

Appearing in the dead of night,
the cause of death to humankind

Shadowtaker,
shadowtaker

Shadowtaker,
shadowtaker
