Serenity

In a transparent myriad of men
I stand, transfixed
I am lost, searching
"Am I the Crestfallen?" I ask
There is no light...
"Am I the Blinded?" I ask
...nor serenity
Redeem me, I yearn
I yearn for an answer
I am lost, searching
"Am I to vanish like water?" I ask
The desert is my daily bread...

The desert is my daily bread... "Am I to wither like trodden grass?" I ask ...and tears of threefold my drink

Redeem me, I yearn I am lost, dear God Redeem me from this nothingness
