## Dr. Shavargo Pt. 3

## **Attack Attack!**

As always It's all for you As always It's all for you As always It's all for you As always I'm all yours Just take me now I'm all yours Just take me now I'll rip out your heart And your eyes until You see the love I have inside For you, carry on this way and I will go and learn the truth. I will go and let this down for me, And its all for you, Take me never let me go, Take me, I'll go and seek the truth I cannot live without you near I can't go on without you here You're the reason why Simply, because you're everything I want and more Take my hand, I'll keep you safe, Take my hand Take my hand, I'll keep you safe, Take my hand The truth will set you free, Just hold my hand, I'll keep you safe, I know you're confused, But I will always Refuse to take you for granted Ill rip out your heart and your eyes until, You see the love I have inside, For you, carry on this way, till you will go And see the truth. Come on girl, I've been waiting for you to make your move Come on girl, I've been waiting for you to make your move As always its all for you As always its all for you
