

Poison Sumac Body Wrap

Attack Attack!

Broken poison
Why be like this?

Say...
Say too much

What has become of my conscience?

Why do I do this and turn away?
Why do I do this and turn away?

I bleed and so do you,
Of my blood
So of the blood
You are the blood
Blood of the falling
You'll be the one
I bleed on you
The blood

Can I ask what it is?
(Let me live)
But that's not too many chains...
(Two that makes me)
When we fall apart
(Fall apart)
That's when I care
That's when I care about you
(About you)

Why cant I go away?
Why cant I go away?

Take my hand
(My hand)

When you're broken
When you're broken
Oh, you're broken
Now you're broken

What has become of my conscience?

Why do I do this and turn away?
Why do I do this and turn away?
