

## Birmingham

Attack In Black

Did you know you kept me warm,  
When I first walked in?  
Did you know you kept me warm?  
Did you even see my face,  
Before you turned around  
Did you even hear me say

Oh Birmingham,  
I don't understand

Did you like the way write,  
When you found my words?  
Did they really make you smile?  
Did I really lose my mind,  
When you disappeared?  
Will you give me back my mind?

Oh Birmingham,  
I don't understand

Oh Birmingham  
Now I understand
