

# Archangel

Attacker

Splitting the sky  
with the sound of fury  
The Elder Gods have now arrived  
To claim this world as  
their newborn kingdom  
Mother Tiamat destroyed

CHORUS:  
ARCHANGEL...  
DESCENDING FROM THE SKY  
ARCHANGEL...  
ON WINGS OF STEEL THEY FLY  
ARCHANGEL!

Sons of Nibiru soon  
enslave and harvest  
Manipulate genetic strands  
Children of Anu bow  
to serve their masters  
Seven judges burn the land

CHORUS

SOLO: Pat

Wings of steel beat the blood red skies  
Now the Ancient Ones arrive  
To save this world  
from impure chimera  
Can the Elder Gods survive?

SOLO: Mike

Elder Gods filled with hate and pride  
Complete control their one desire  
The Ancient Ones  
have returned in time  
To end their reign of pain and fire

Celestial beings from before time  
are now descending from on high  
Please save our race  
from this ancient evil  
Don't let our human species die

CHORUS
