

# Bad Habits

Attila

This is the end of the world  
YEAHHH

I wanted more  
I think I finally bit off more than I could chew  
Why can't I meet in the middle  
Broken, my mind is messier than fuck  
I'm always running back to my habits

PUT YOUR FISTS UP  
NOBODY GIVES A FUCK  
I AM THE CULPRIT  
BUT I'M ALSO THE PROBLEM

I'M FEELING FUCKED UP  
NOBODY GIVES A FUCK  
ENABLER AUDIENCE  
AND I AM THE MONSTER

I feel like I'm insane  
Woah oh, woah oh  
Every day I fade away  
Woah oh, woah oh  
I've lost all my feeling  
Woah oh, woah oh  
Just wanted one more taste  
Bad habits follow me

And now I'm back  
What goes around comes around again  
Spinning in circles through an endless space of gray  
Shattered  
I feel like I am just a single breath away  
And now the cycle begins

I feel like I'm insane  
Woah oh, woah oh  
Every day I fade away  
Woah oh, woah oh  
I've lost all my feeling  
Woah oh, woah oh  
Just wanted one more taste  
Bad habits follow me

PUT YOUR FISTS UP  
NOBODY GIVES A FUCK  
I AM THE CULPRIT  
BUT I'M ALSO THE PROBLEM

I'M FEELING FUCKED UP  
NOBODY GIVES A FUCK  
ENABLER AUDIENCE  
I AM THE MONSTER

I AM THE MONSTER  
I AM THE MONSTER  
I AM THE MONSTER

I AM THE MONSTER

I feel like I'm insane  
Woah oh, woah oh  
Every day I fade away  
Woah oh, woah oh  
I've lost all my feeling  
Woah oh, woah oh  
Just wanted one more taste  
Bad habits follow me
