

# Break Shit

Attila

Disregard authority  
Fuck the law  
I've been to every fucking city  
And I've seen it all  
If you got a fuckin' problem  
Let the whole world know  
Break every fuckin' thing  
That you see at this show

This is not a request  
It's an order  
Are you fuckin' listening  
Attention deficit disorder?  
Close your eyes  
Close your fists  
And imagine that your enemy's in front of you  
Now what would happen?

Break shit  
Fuck the law  
Fuck this shit  
Punch that bitch  
Break shit  
Fuck the law  
Fuck it

Punch a fuckin' bully  
In the god damn face  
Or just hit 'em with a brick  
Or two just in case  
They decide they want to fuck with you  
And do it all again  
You put the madness to an end

Take a deep breath  
And hold it in  
Break down these walls around you  
Release your inner demons  
And show me what the fuck you got

Total extermination  
Fuck everybody  
Wreck this place  
Fuck it  
I've got an anger problem  
This is how it gets fixed

If you got a fuckin' problem  
Let the whole world know  
Break every fuckin' thing  
That you see at this show

Break shit  
Fuck the law  
Fuck it  
Break shit  
fuck the law

Fuck this shit  
Punch that bitch  
Break shit  
Fuck the law  
Fuck it

Take a deep breath  
And hold it in  
Break down these walls around you  
Release your inner demons  
Spread your evil throughout the room

Take a deep breath  
And hold it in  
Break down these walls around you  
Release your inner demons  
And show me what the fuck you've got

They're always trying hard  
Just to push you down  
But when its all said and done  
You're gonna run this town  
You hurt their pride in front of everyone  
So finish the job  
You poured the gasoline  
So set it off

You smash their fuckin' face  
And watch them suffer  
Just like they did to you  
But make it worse  
Retaliation is a must  
They caused an issue  
Violence will solve it all this time  
Throw the fuckin' match  
And watch the motherfucker Burn

BURN!
