V I P, lambo rippin  
Cash on deck, I ain't trippen

Say my name

Come with me  
I'll take you away I'll give you a taste

Don't talk back  
I'm at the wheel I'm in control

Be a good girl  
And let daddy blow your mind tonight

Hey Babe

Hey Babe  
Just kick it with me I'll be your new addiction

So take a chance and let me take you to a higher place  
Tell me what makes you cum and I will be the only one  
who can make you believe that there's something more to life than you know

So tell me what you fiend  
I know I'm what you need
