

# Hurricanes

Au Revoir Simone

In a world of make-believe  
Talks a lot, but can't you see  
It means more to you than me  
Than me

Think before you speculate  
Take the fear that you create  
Don't assume we're so afraid of them

And you say  
Na na na na...  
Na na na na...

If you stop and disappear  
Doesn't sound I watch you here  
When dreaming takes you where you want to be  
Don't follow the status quo  
Picture where you'd like to go  
Take your time but always know you're there

And you say  
Na na na na...  
Na na na na...  
Na na na na...

This message is for all the people  
That people who are always waiting  
This message is for all the people  
That people who are always waiting  
Waiting, waiting, waiting, waiting, waiting, waiting

This message is for all the people  
That people who are always waiting  
This message is for all the people  
That people who are always waiting  
Waiting, waiting, waiting, waiting, waiting, waiting

This message is for all the people  
That people who are always waiting  
This message is for all the people  
That people who are always waiting  
Waiting, waiting, waiting, waiting
