

# Party All The Time

Aubrey O'Day

Aubrey...

My girl Shanell...

Girl

I can't understand it why you want to hurt me  
After all the things that I've done for you  
I bought you champagne and roses and diamonds on your finger  
But still you hang out all night what am I to do?  
Cause my girl likes to party all the time  
Party all the time  
Party all the time  
My girl likes to party all the time  
Party all the time  
Party all the time...

Girl

I've seen you in the club just hanging out and dancing  
You give your number to every bitch you see  
Never come home at night because you're out romancing  
I wish you'd bring some of that love home to me  
Cause my girl wants to party all the time  
Party all the time  
Party all the time  
My girl wants to party all the time  
Party all the time  
Party all the time...

Uh, she likes to dance she likes to drink  
She's got that someting that makes me weak  
She likes to watch she likes to tease  
She likes them girls that are just like me  
Knows how to keep 'em watching they can turn across the bar  
She flirtes with every face she meets on the floor  
So get your shot enjoy the drink  
Cause when you're done you know your coming home with me  
Party all the time
