

Physical

Aubrey O'Day

Hey
This time I'm gonna switch it up on you, up on you
Make you so casuated
Hey
Give you something that you ain't used to
Come cross the finish line
You've made it

You've been such a good boy
And I think it's time we lay it out
Lay it out
Step up in my room
And let me show you
What's all about

I wanna take control
And get physical
Physical, hey, I wanna get physical
Physical, hey

And tell me
Can you make my body talking?
Can you make my body talking?
Can you make my body talking?
Can you make my body talking?
Physical, I wanna get physical
Physical
Physical, I wanna get physical
Physical
And tell me
Can you make my body talking?
Can you make my body talking?
Can you make my body talking?
Can you make my body talking?

Hey
Let me put this all over you
And don't interrupt me
This feeling boy
It's long overdue
Now do you think you're ready?

You've been such a good boy
And I think it's time we lay it out
Lay it out
Step up in my room
And let me show you
What's all about

I wanna take control
And get physical
Physical, I wanna get physical
Physical

And tell me
Can you make my body talking?
Can you make my body talking?

Can you make my body talking?
Can you make my body talking?

Physical, I wanna get physical
Physical
Physical, I wanna get physical
Physical
And tell me
Can you make my body talking?
Can you make my body talking?
Can you make my body talking?
Can you make my body talking?

And you've got all it takes
To make me sweet
Working out on the sheets
Till we giving way
The physical finish
Let's go back in business

You've been such a good boy
And I think it's time to lay it out
Lay it out
Step up in my room
And let me show you
What's all about

I wanna take control
And get physical
Physical, I wanna get physical
Physical

And tell me
Can you make my body talking?
Can you make my body talking?
Can you make my body talking?
Can you make my body talking?
