

Buzzing

Audien

I'm lost when I try letting go
Of the things that I want most
Yeah, it makes me feel so low, low, oh, oh
How do I stop and still have hope?
Where did all the good times go?
Yeah, it makes me feel so low, oh, oh, oh

I'm tryna live and love it with my head held high
I wish I didn't, but I had to say goodbye

'Cause I'm buzzing for you
Yeah, I'm buzzing for you
Can't control what I do
I'm fiending for you
You-ooh, you-ooh
You-ooh, you-ooh
And I'm running for you
Yeah, I'm running for you
I'm alone and confused
Tryna be someone new
New-ooh, new-ooh
New-ooh, new-ooh

Ooh-ooh, ooh-ooh
Ooh-ooh, ooh-ooh

You-ooh, you-ooh
You-ooh, you-ooh

I found something deep in my soul
Used to be so dark and cold
Need the light to make me go, oh, oh, oh

I'm tryna live and love it with my head held high
I wish I didn't, but I had to say goodbye

'Cause I'm buzzing for you
Yeah, I'm buzzing for you
Can't control what I do
I'm fiending for you
You-ooh, you-ooh
You-ooh, you-ooh
And I'm running for you
Yeah, I'm running for you
I'm alone and confused
Tryna be someone new
New-ooh, new-ooh
New-ooh, new-ooh

New-ooh, new-ooh
New-ooh, new-ooh
New-ooh, new-ooh
New-ooh, new-ooh

You-ooh, you-ooh
You-ooh, you-ooh
