

# Rollercoaster

Audien

I'm feeling stupid  
And careless and restless  
I'm feeling lonely  
And empty  
Scalpel to my spine

But that's alright  
Yeah that's ok  
Cause that's exactly  
Who you are  
But that's alright  
Yeah that's ok  
Cause that's exactly  
What I do

(Like we're)  
On a roller coaster ride  
You're the low, You're the high  
Sometimes you cut me  
Deep inside, But I enjoy it  
(I used to be)  
So scared of heights  
I used to love, in black and white  
Sometimes you cut me  
Deep inside, But I enjoy it

I'm feeling dizzy, dizzy, dizzy  
Don't you miss me?  
I feel I'm losing  
All I'm knowing  
Misinterpreting

But that's alright  
Yeah that's ok  
Cause that's exactly  
Who you are  
But that's alright  
Yeah that's ok  
Cause that's exactly  
What I do

(Like we're)  
On a roller coaster ride  
You're the low, You're the high  
Sometimes you cut me  
Deep inside, But I enjoy it  
(I used to be)  
So scared of heights  
I used to love, in black and white  
Sometimes you cut me  
Deep inside, But I enjoy it

We're always going  
Down, up  
Down, up  
Down, up  
Down, up

Down, up
