

# Fire Never Sleeps

Audio Adrenaline

I feel the heat is rising  
The flames of my horizon are at my door  
I'm staring at the ruins the embers of the brokenness  
Are scattered on the floor

His Fire never sleeps, His Fire never sleeps

I see that hope is coming  
So pull me from the ashes, ignite my soul  
Please burn away the darkness, His love is like a furnace  
Where fire never sleeps

Burn all my soul, set me on fire  
Burn all my soul, light up my fire, Burn all my soul

Stop, I never want to miss You,  
something new is being born  
And we were born for this  
Lord, we know our day is coming  
When we look into Your eyes  
And see a Fire never sleeps  
The fire never sleeps, the fire never sleeps

Burn all my soul, set me on fire  
Burn all my soul, light up the fire, Burn all my soul

Your Fire never sleeps, Your Fire never sleeps

Purify my heart, purify my heart  
Spirit fall on us, Spirit fall on us
