

# Hands And Feet

Audio Adrenaline

An image flashed across my TV screen  
Another broken heart comes in to view  
I saw the pain and I turned my back  
Why can't I do the things I want to?  
I'm willing yet I'm so afraid  
You give me strength  
When I say

R: I want to be your hands  
I want to be your feet  
I'll go where you send me  
I'll go where you send me  
REPEAT  
And I try, yeah I try  
To touch the world like  
You touched my life  
And I find my way  
To be your hands

I've abandoned every selfish thought  
I've surrendered every thing I've got  
You can have everything I am  
And perfect everything  
I'm not I'm willing,  
I'm not afraid  
You give me strength When I say

R:

This is the lifetime I turned my back on you  
From now on, I'll go so  
Send me where You want me to  
I finally have a mission  
I promise complete  
I don't need excuses  
When I am your hands and feet
