

# Let My Love Open the Door

Audio Adrenaline

When people keep repeating  
That you'll never fall in love  
When everybody keeps retreating  
But you can't seem to get enough

R: Let my love open the door  
Let my love open the door  
Let my love open the door  
To your heart

When everything feels all over  
When everybody seems unkind  
I'll give you a four leaf clover  
Take all the worry out of your mind

R:

I have the only key to your heart  
I can stop you falling apart  
Try today, you'll find this way  
Come one and give me a chance to say  
Let my love open the door  
It's all I'm living for  
Release yourself from misery  
Only thing's gonna set you free  
That's my love

R:

When tragedy befalls you  
Don't let them bring you down  
Love can cure your problems  
You're so lucky I'm around
