

# The Most Excellent Way

Audio Adrenaline

Fred had faith  
That could move a big mountain  
Fred had a tongue  
That flowed like a fountain  
Had a big brain bible trained  
Gave what he had  
To the poor and to the flame  
Fred had faith and faith is fine  
Fred had a wonderful wonderful mind  
What would he need love indeed  
Love is the greatest of all of these  
Fred had hope carved in stone  
Beyond what's seen beyond what's known  
Nothing could shake him or take him  
Away from the light that the Lord had gave him  
Fred had hope and hope is fine  
Fred had a wonderful wonderful mind  
What would he need love indeed  
The most excellent way is love

Faith hope and love  
But the greatest of these is love

Love is more than the act of giving  
Live is the key to the art of living  
What's the gain from the pain  
Without the love of Christ it's all vain  
Love is patient love is kind  
In thsi song I hope you find  
A message of love but what you gonna do  
Love is calling get into action  
Love is the start of a chain reaction  
Love is more much more  
Listen ya'll what love is for  
Faith hope and love forever  
learning to love is the greatest endeavor  
So what do we need love indeed  
The most excellent way is love

Faith hope and love  
But the greatest of these is love

You got to show one another  
That you care about each other  
And you love your neighbor  
Like you love yourself

You gotta love God with all your heart  
Because that's really the biggest part  
And you love the people  
The people around you  
The most excellent way is love
