

## Catch And Release

Audio Karate

been goin out so long that i show  
i'll go and answer all that i know  
been out so much that i'm late  
it's turning out it's all that i hate  
been going out so long that i caved  
from throwing out the bait that i saved  
i swallowed up the young that i stole  
i've mellowed out so i'm sure that i'll hold

so baby come back to me and we'll sleep  
i'll admit the things you want me to I  
won't fuck the girls I wanted too...

been goin out so long that i stay  
been shrugging off the loins that i hate  
loving eyes don't know what a fool  
sweet loving eyes don't know what a fool

and so baby even if you long to  
lately it's all that I can't do
