

My Turn  
One time

I tell 'em say my name it's easy  
Bish-Bishop P Teezy  
If money lookin' like mansions then you niggas must be tipis  
Boy I'm ridin' round in my city  
Music blastin' right through that red top  
Top five and I started the game but you niggas lookin' like mas  
cots  
If your girlfriends is a [?] I never miss live Steve Nash shot  
Better ask Double you better Okt, this BOW life is the cash spo  
t  
Last name "Squad" boy first name "Hustle"  
Nigga I'm gettin' guap like my first name Russel  
Everywhere I get pack [?]  
Beat [?]  
YSL you can read it on my buckle  
Play my cards right nigga I don't even got to shuffle  
I just bang with my clique, on my toes never sleep  
And I'm all about my chip I ain't never been a ruffle  
Yeah, my money green but I rep that blue  
B-Oh-Dub yeah I rep that crew  
And big is the only way that we do it, do it  
Tank top when it's hot, Gucci [?]  
Music bringin' me joy, [?] keep me from pain  
Cause I had a talk with my mama, I told her I miss her face  
She said "I miss you to" and then she put me right in my place  
She said "Stop stressin' yourself out, [?] mistakes  
Just pray to God and have faith. Every gon fall in place"  
So I did that and it worked for me  
I hit the road and start earnin' stacks  
On a mission with tone of visions, best believe I ain't turnin'  
back  
I hit the game strong with my flame on  
And I spart the match and start burnin' [?]  
Niggas mad cause they girls want me  
But I ain't concerned with that  
So stop cuffin' your girl nigga, I don't want your girl nigga  
Cause if I wanted your girl nigga, she wouldn't be your girl ni  
gga  
Red dot with the flow, aimin' at your head it's how it burn  
You niggas had your shot but right now it's my turn
