

## Control Us

### Audio Push

No they can't control us, show out when we show up  
Got OG let's roll up, got that drink let's go up  
They gon' judge but so what? Fuck 'em they don't know us  
Pipe her 'til you tow her, no they can't control us  
No they can't control us, oh they can't control us  
My wrist dancin' sure enough, you bitch dancin' sure enough  
She chose me like sure enough, hit the scene and go nuts  
Show out when we show up, no they can't control us

Young boy got his dough up, now it's time to go nuts  
She used to tell me hold up, now she wanna hoe up  
'Round here we don't talk much, yeah you gotta show us  
Where them sets get thrown up, yeah that's how we go up  
Look up at your summer, yeah your boy done grown up  
Man I miss my soldier, City that's my soldier  
We don't wanna grow up, we won't never grow up  
I'm gon' ball and glow up, niggas all gon' know us

No they can't control us, show out when we show up  
Got OG let's roll up, got that drink let's go up  
They gon' judge but so what? Fuck 'em they don't know us  
Pipe her 'til you tow her, no they can't control us  
No they can't control us, oh they can't control us  
My wrist dancin' sure enough, you bitch dancin' sure enough  
She chose me like sure enough, hit the scene and go nuts  
Show out when we show up, no they can't control us

Yeah there it is I caught the vibe  
She just wanna see the Tribe  
They waitin' for us inside  
The realest niggas have arrived  
Don't take no pictures I'm just chillin'  
Can't fuck with that then fuck your feelings  
In the club they say we couldn't smoke  
(That's exactly why I always smoke)  
Ya insecurity a joke  
You only big behind the rope  
Put one up in the air for Phife  
Another in the air for life  
Another in the air for everybody that ain't with us  
Cause they locked inside  
Tonight we come alive, we too focused can't control us

No they can't control us, show out when we show up  
Got OG let's roll up, got that drink let's go up  
They gon' judge but so what? Fuck 'em they don't know us  
Pipe her 'til you tow her, no they can't control us  
No they can't control us, oh they can't control us  
My wrist dancin' sure enough, you bitch dancin' sure enough  
She chose me like sure enough, hit the scene and go nuts  
Show out when we show up, no they can't control us  
No they can't control us, show out when we show up  
Got OG let's roll up, got that drink let's go up  
They gon' judge but so what? Fuck 'em they don't know us  
Pipe her 'til you tow her, no they can't control us  
No they can't control us, oh they can't control us  
My wrist dancin' sure enough, you bitch dancin' sure enough

She chose me like sure enough, hit the scene and go nuts  
Show out when we show up, no they can't control us
